# MOMESH IS FAST, SECURE & RELIABLE WIRELESS INTERNET OWNED BY OUR COMMUNITY

<u>Fast:</u> Surf the web, stream TV/movies, and video chat with ease

**Secure:** MOMESH is private and secure by design: you own your data

**Reliable:** MOMESH uses mesh technology to create a more reliable internet for everyone on the mesh

#### MADE AND SUPPORTED BY ALL OF US

MOMESH is made possible by donations from folks in our community like you. Thanks!
